

ABOUT US

PandJsOddities was begun in 1998 as a hobby by Patrick Damore who was a creative writer with a penchant for selling. He thought selling on e-Bay would be fun and so it was.

Patrick was joined in his hobby by his Dad, Joe Damore who retired from IBM and took on assisting him full time after his retirement. Hence, PandJsoddities, embodying Patrick and Joe and selling oddities on e-Bay.

Patrick has been active in his hobby and achieved Power Seller Status.

- Patrick graduated from Marist College with a BA Degree in English
- He uses this expertise to write descriptions of e-Bay items
- During the years he worked in retail and had experience in working in Behavioral organizations.
- He always returned to e-Bay selling and is a Power Seller

Mom, Patricia, has joined the hobby as the person dealing with mailing, interfacing and dealing with businesses.

Antonio Montalvo has joined us and is a key assistant in photography, wrapping and mailing.
